

2022 International Conference on Smart Manufacturing and Material Processing (SMMP2022)

Invitation Letter

Organized by

International Association of Applied Science and Technology (IAAST)

To whom it may concern,

Aiming at providing a platform for leading researchers, academicians, and industry experts to come together and discuss problems and solutions in the field of smart manufacturing and material sciences, identify new issues, and shape future directions for research, **2022 International Conference on Smart Manufacturing and Material Processing (SMMP2022)**, organized by International Association of Applied Science and Technology (IAAST), will be held during **August 12-13, 2022 in Shanghai, China**.

The Conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Herewith, on behalf of Organization Committee of SMMP2022, we are pleased to invite:

Name:

Affiliation:

to attend the conference and give an oral presentation.

We look forward to seeing you in Shanghai, China!
